School is utilizing the services of a late bus for PCMS-zoned students on Mondays, Tuesdays, Wednesdays and Fridays. Actual start of school is 7:30am. We hope this will allow more students the opportunity to be part of our extracurricular activities and tutoring services. A parent or guardian must sign the Late Bus Permission Slip before a student can ride the late bus. Permission slips were sent home at the beginning of September, and more can be found in the school's Front Office.

A few things to remember:

- The stops made by the late bus are not the same as the normal bus stops. Please review with your child the route that he/she will need to take home. It is the student's responsibility to know which stop to exit the bus from. Please review the stop, as well as the safest route home. This should be done before riding the late bus.
- Students will use their student ID badge to scan themselves on and off the bus.
- Please remember that normal bus rules apply. Students will be held accountable if they violate bus rules and/or the Code of Student Conduct.

PCMS BOYS SOCCER

The Soccer season ran from February 12th to March 2nd. We were fortunate enough to be able to use Port Charlotte High School's soccer fields this past season from 4:45 pm to about 6:45 pm. We scrimmaged PGMS on February 23rd. While we lost that game, the score was not a reflection of how well the boys competed against the best program in the area. That scrimmage was the first time everyone played together as a whole team, and the coaching staff was very proud of how each of the kids competed and powered through the adversity and challenges they faced. On March 2nd, the boys competed in a tournament and battled through three close games to Charlotte County middle schools. Overall, the whole coaching staff was amazed on how close we were to winning those games, and we can't wait to see what the future holds for the soccer program next year.
